MEMORIAL DAY.

A beautiful day and a pleasant one in every particular on Saturday last gave opportunity for Post 53 G. A. R. and Camp 7 Sons of Veterans and their relatives and friends to make the Memorial Day exercises more than ordinarily interesting and impressive.

In the early morning the Captain of Camp 7 and members of the Post and others decorated the grave of Capt. P. M. Pryor for whom the Camp was named.

At 11 a m Post 53, G. A. R. held a special meeting and the different details reported, the decoration of forty graves in different parts of the County, an arduous duty, some of the Comrades having to leave their homes at sunrise and travel 15 to 25 miles to reach the scattered burial places. Comrade S. F. Smith, of Whitwell took in as his share 12 graves and deserved and received the thanks of the Post for his heavy morning's work.

The Post added two new members to their roll and adjourned.

At a special meeting of Camp 7 four new members were elected and two mustered into the Camp.

Under the pleasant shade and in the cool surroundings of the Blowing Spring, Columbus Park, a busy and pleasant duty of emptying many well filled baskets was diligently performed and there was a veritable reunion of comrades and friends.

At 1:45 p. m., the line was formed for Owen churchyard, where the Post under escort of Camp 7 and some thirty children, performed the decoration service, and then at the stand in the grove near the church held Memorial service under direction of Commander Hill. The singing of the choir was sweet and sympathetic. Mrs. La Ganke's rendering of "Lincoln's Address" was beautiful and the oration by Capt. W. S. Pryor was listened to with great interest by the large audience present. A copy of his address is printed in another column. A vote of thanks to the chaplain and other comrades for their faithful performance of the duties assigned, to the choir and others who helped to complete the service was then passed, and after benediction by Rev. Jacob Houts, of Sequachee, the different organizations were dismissed.

The Sunday school of Owen Church had prepared for the convenience of visitors, lemonade, ice cream, cake, &c., which were as usual under charge of Mrs. L. W. Gabel, whose direction is an assurance of the quality being first rate and consequently much appreciated. We are glad to hear that the net proceeds reached nearly \$10 which cleans up the balance due on the organ purchased last year.

Altogether it was a unique and ideal celebration of the Memorial Day and one long to be remembered, and in the quiet of many homes afterwards the sweet words lingered:

"One sweetly, solemn thought
Come to me o'er and o'er,
I'm nearer home to-day
Than ever I was before."

If you can buy a pair of shoes or a suit of clothes at about one half the regular price, if its just as good, who cares whether it was sold at auction or by a big, stuffed, nickled knave, who don't forget to charge generally 100 per cent. to make you believe its mighty cheap.
